Kinderhaus St. Zeno "Glockentum"	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Comments

Please note: Only after a personal application and registration in day nurseries a registration at the municipal administration can take place. There your application will be registered by specifying the priority. (For that day nursery you want your child to register the most!)

In case you need daycare for a child less than 3 years, a personal registration at municipal administration ist needed. Registration in several day nurseries ist highly recommended as an accommodation at your first priority cannot be guaranteed.
